

Squalane + Enzyme Sugar Body Scrub

LEADING INGREDIENTS:

Pomegranate Enzyme: Effectively breaks down and removes dead surface skin cells; more rapid yet more gentle than AHAs.

Sugar Crystals: A natural exfoliant that gently dissolves with water to adjust intensity and prevent over-exfoliation.

Squalane: Supports and replenishes skin's moisture barrier by adding weightless hydration to the skin.

Squalane + Caffeine Toning Body Cream

LEADING INGREDIENTS:

Caffeine: Sourced from green coffee beans gives skin a smoother appearance

Niacinamide: Helps even out skin tone and skin texture, and fortifies the skin barrier.

Squalane: Supports and replenishes skin's moisture barrier by adding weightless hydration to the skin.
