ANTI AGING SERUM

Vitamin C
Hyaluronic Acid
Ferulic Acid
Thyme Extract

1 FL. Oz / 30 ML

Aesthetics Naturals Vitamin C serum is thin and highly effective. It will help fade sun spots & discoloration, refine skin texture, reduce wrinkle formation and minimize existing wrinkles. It also has a high concentration of hyaluronic acid that makes skin plump and protects and restores the skin.

Directions for Use:

Wash and pat skin dry. Apply a small amount to entire face and neck. Allow to dry. Follow up with a high quality moisturizer. Can be used daily. Can be used under makeup.
