

The **Environ Vita-Peptide C-Quence Serum 4** is the fourth level in Environ's Youth EssentiA® Vitamin A Step-Up System. It features a high concentration of vitamins A, C, and E, along with a blend of peptides and antioxidants, designed to support skin health and combat visible signs of aging.

Key Active Ingredients & Their Benefits

- **Vitamin A (Retinyl Propionate, Retinyl Palmitate):** Supports skin cell renewal and helps reduce the appearance of fine lines.
- **Vitamin C (Ascorbyl Tetraisopalmitate):** A stable form of vitamin C that brightens skin tone and provides antioxidant protection.
- **Vitamin E (Tocopheryl Acetate & Tocopherol):** Enhances skin hydration and offers antioxidant benefits.
- **Peptides (Palmitoyl Tripeptide-1, Palmitoyl Pentapeptide-7, Palmitoyl Hexapeptide-12):** Support collagen production and improve skin elasticity.
- **Antioxidants (Lycopene, Epigallocatechin Gallate, Rosemary Leaf Extract):** Protect against environmental stressors and free radical damage.
- **Hydrators (Glycerin, Sodium Lactate, Urea, Allantoin):** Maintain skin moisture balance and soothe irritation.
