

Full Ingredients (as listed by Alastin Skincare)

Water / Aqua / Eau, Caprylic/Capric Triglyceride, Glycerin, Sodium Acrylates Copolymer, Squalane, Sodium Ascorbate, Ubiquinone, Ectoin, Physalis Angulata Extract, Betaine, Phosphatidylcholine, Camellia Sinensis (Green Tea) Leaf Extract, Carnosine, Centella Asiatica Extract, Olea Europaea (Olive) Leaf Extract, Zingiber Officinale (Ginger) Root Extract, Ergothioneine, Dunaliella Salina Extract, Punica Granatum (Pomegranate) Fruit Extract, Bisabolol, Lactoferrin, Tremella Fuciformis Sporocarp Extract, Polyglyceryl-10 Laurate, Cetyl Alcohol, Sodium Benzoate, Xanthan Gum, Tocopherol, Helianthus Annuus (Sunflower) Seed Oil, Propanediol, Tocopheryl Acetate, Caprylyl Glycol, Mannitol, Lecithin, Phenoxyethanol, C12-15 Alkyl Benzoate, Ethylhexylglycerin, Caprylhydroxamic Acid, Citric Acid, Potassium Sorbate

Highlighted Key Ingredients & Their Benefits

Certain ingredients are spotlighted on the product page for their unique roles:

- **Sodium Ascorbate** – A novel, encapsulated form of Vitamin C known for its stability and improved absorption (up to 20× more effective)
 - **Green Tea (Camellia Sinensis Leaf Extract)** – Helps scavenge reactive oxygen species and boosts antioxidant enzyme activity
 - **Physalis Angulata Extract** – An anti-inflammatory that supports collagen repair and enhances defense against free radicals
-

Ingredient Functions at a Glance

Based on additional ingredient analysis:

- **Antioxidants & Actives:** Sodium Ascorbate, Ectoin, Carnosine, Ubiquinone, Ergothioneine, Green Tea Extract, Pomegranate Extract, etc.
- **Hydrators / Moisturizers:** Glycerin, Betaine, Tremella Extract, Mannitol, Propanediol
- **Soothers & Barrier Support:** Centella Asiatica, Bisabolol, Ginger Root Extract, etc.

- **Texture & Stability:** Emollients (Squalane, Caprylic/Capric Triglyceride), thickeners (Sodium Acrylates Copolymer, Cetyl Alcohol), emulsifiers (Lecithin, Polyglyceryl-10 Laurate), preservatives (Phenoxyethanol, Potassium Sorbate, etc.)
