

bentgo[®] modern

User's Manual

Thank you for purchasing Bentgo Modern! We designed this durable, leak-resistant lunch solution with distinctive features that make it the must-have lunch box for stylish professionals who want to take a healthy lunch on the go.

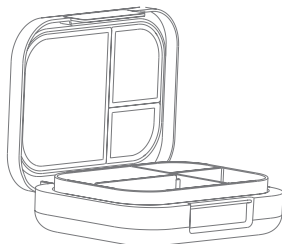

Features

- Leak-resistant compartment tray prevents messy spills
- Removable divider fits in the largest compartment to create an additional 4th compartment
- Dishwasher, microwave, and freezer safe (we recommend hand washing the outer shell to preserve the leak-resistant seal)
- Food-grade safe and eco-friendly materials
- No BPA, PVC, phthalates, lead, or vinyl

Using Your Bentgo Modern

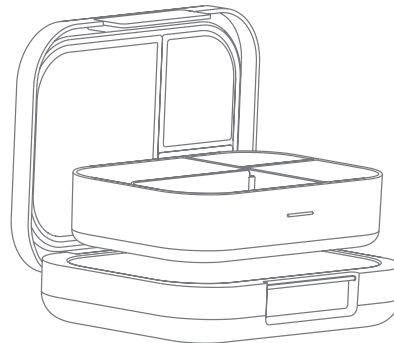

1. Lift the latch on the front of Bentgo Modern to open it.
2. Add the removable divider for a 4th compartment. Fill each compartment with your desired entree and sides.*
3. Close the lid and secure the latch.

*Removable divider is only ideal for keeping dry food separated. It will not prevent food with juices from seeping through the divider.

Inserting & Removing the Tray

- The compartment tray is designed with a notch on the front to keep it from moving around or lifting up when the lid is opened.
- To insert the tray, push it down firmly into the outer shell (see image below). The notch on the tray will line up with its counterpart inside the shell.
- To remove the tray, place one hand on each side of the tray and pull up while using your fingers to push the outer shell down.
- To add the removable divider, align the slots on the side of the divider with one set of tabs inside the largest compartment and push down. To remove the divider, pull it up.

Cleaning Your Bentgo Modern

- Wash before initial use.
- Removable tray is top-shelf dishwasher safe.
- Hand washing the outer shell is recommended to preserve the seal and metallic latch. Wash with warm soapy water.

Warnings

- Microwaving the tray is for reheating only — Do not microwave for more than 3 minutes.
- To ensure mess-free opening and closing, do not overfill any of the compartments.

Product Warranty

Bentgo offers an industry-leading 2 Year Warranty. If you have warranty or product questions, please contact us directly at:
