

KEY INGREDIENTS

- **AHA Blend***: Delivers gentle exfoliation to the top layer of skin to renew and brighten dull-looking skin.
- **Salicylic Acid**: Removes excess surface oil and promotes the shedding of unhealthy dead skin buildup to help refine and purify skin.
- **Amino Acid-Based Surfactant Complex**: A mild surfactant derived from the amino acid, L-glutamic acid, and coconut fatty acid that creates a dense foam with a light and airy feel.
- **Soft Skin Blend**: A blend of skin conditioners and emollients that enhances skin's barrier, leaving it feeling soft and smooth after rinsing.
-
