Description

A tall, perennial plant, Lemongrass has a subtle citrus flavor and is used in Asian cuisine in soups, teas, and curries as well as with fish, poultry, beef, and seafood. In addition to its unique flavor, Lemongrass essential oil promotes healthy digestion and acts as an overall tonic to the body's systems when ingested.* Lemongrass oil also purifying and toning to the skin, and is frequently used in skin care products for these benefits. Lemongrass is an ideal oil to use in massage therapy. Lemongrass essential oil has a pungent, herbaceous aroma that can heighten awareness and promote a positive outlook.

Lemongrass Essential Oil | doTERRA Beh...
