

- **How to Use**

Lift hair in sections and apply directly to scalp, evenly covering head. Gently massage. Do not rinse.

Use as part of the invati ultra advanced™ 4-step system.

REGIMEN

invati ultra advanced™ 4-step system

- **Step 1: Exfoliate** light or rich exfoliating shampoo
- **Step 2: Thicken** light or rich thickening conditioner
- **Step 3: Revitalize** revitalizing scalp serum
- **Step 4: Fortify** fortifying leave-in treatment

Featured Ingredients:

Eclipta prostrata

- Featured in our follicle vitality complex and is proven to boost vitality

Alpinia officinarum root extract

- An exclusive extract rich in polyphenols that provides natural follicle protection from extrinsic stressors, like pollution and oxidative stress

Zingiber officinale (ginger) root extract

- A powerful botanical known for its ability to boost scalp's natural protection against external aggressors when applied to the scalp

Formulated with 28% more antioxidants (when compared to invati advanced™ scalp revitalizer)

- Antioxidants help protect the follicle and scalp from external aggressors all day

Amla

- Instantly thickens the look of hair to help lift at the root

Japanese knotweed (resveratrol)

- Penetrates to help support hair's natural keratin
