

Water (Aqua) – The base of the formula that provides hydration to the hair and scalp.

Cyclopentasiloxane – A silicone that smooths hair, adds shine, and helps detangle.

Dimethicone – A type of silicone that conditions and coats hair, improving texture and reducing frizz.

Glycerin – A humectant that draws moisture into the hair and scalp, promoting hydration.

Sodium Chloride – Used to adjust the viscosity (thickness) of the product.

Panthenol (Pro-Vitamin B5) – Known for its moisturizing properties, it helps improve hair's elasticity and smoothness.

Cocamidopropyl Betaine – A mild surfactant derived from coconut oil, used to cleanse the scalp and hair without stripping moisture.

Salicylic Acid – Helps to exfoliate the scalp and clear away dead skin cells, promoting a healthy scalp environment.

Menthol – Provides a refreshing, cooling sensation on the scalp, contributing to a soothing experience.

Tocopheryl Acetate (Vitamin E) – A potent antioxidant that helps protect the hair and scalp from environmental damage.

Niacinamide (Vitamin B3) – Known to help improve blood circulation in the scalp and maintain a healthy scalp.

Citrus Aurantium Dulcis (Orange) Peel Oil – A natural extract that helps cleanse and refresh the scalp.

Polyquaternium-7 – A conditioning agent that helps smooth and detangle the hair.

Hydrolyzed Silk – A protein that helps strengthen hair and adds a smooth, shiny finish.

Methylisothiazolinone & Methylchloroisothiazolinone – Preservatives used to prevent microbial growth in the product.
