

Key Ingredients

- *Opuntia Ficus-Indica Stem Extract*: Known for its soothing properties, this extract effectively binds moisture to the skin, making it particularly beneficial post-shave.
- *Nymphaea Caerulea Flower and Nelumbo Nucifera Flower Extracts*: These extracts not only enhance skin's natural luminosity but also help in reducing excess oiliness, promoting a balanced complexion.
- *Aminopropyl Ascorbyl Phosphate*: This patented form of Vitamin C acts as a potent antioxidant, protecting the skin from free radical damage while smoothing its texture.
- *Tocopherol*: A form of Vitamin E renowned for its conditioning and protective properties, crucial in maintaining skin health.
- *Ectoin and Hydroxyectoin*: These ingredients form a barrier against environmental pollutants, supporting the skin's natural defense mechanisms and resilience.
