For Products Purchased in the USA

Cobra Electronics Corporation warrants that its Cobra product, and the component parts thereof, will be free of defects in workmanship and materials for a period determined by your products warranty (refer to your owner's manual for specific year(s) of warranty) from the date of first consumer purchase. This warranty may be enforced by the first consumer purchaser, provided that the product is utilized within the U.S.A.

Cobra will, without charge, repair or replace, at its option, defective power inverters, products or component parts upon delivery to the Cobra Factory Service department, accompanied by proof of the date of first consumer purchase, such as a duplicated copy of a sales receipt.

You must pay any initial shipping charges required to ship the product for warranty service, but the return charges will be at Cobra’s expense, if the product is repaired or replaced under warranty. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

EXCLUSIONS:

This limited warranty does not apply:

- 1. To any product damaged by accident.
- 2. In the event of misuse or abuse of the product or as a result of unauthorized alterations or repairs.
- 3. If the serial number has been altered, defaced, or removed.
- 4. If the owner of the product resides outside the U.S.A.

All implied warranties, including warranties of merchantability and fitness for a particular purpose are limited in duration to the length of this warranty. Cobra shall not be liable for any incidental, consequential or other damages; including, without limitation, to damages resulting from loss of use or cost of installation.

Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

PROOF OF PURCHASE REQUIRED:

Please check your owner’s manual for warranty specifics and product service details. For warranty service you will need to provide proof of purchase from an approved retailer. Please note that if you purchased your product on Ebay, you will need to provide a receipt from the actual seller for verification as an approved retailer.
