This is not the real Johnny B

Reviewed in the United States on September 14, 2018

Size: 16 Ounce **Verified Purchase**

Its unfortunate but this product is not the real deal. I've been purchasing from them for quite some time and for some reason something changed. Now the product is flaky, smells like chemicals, does not hold like it used to and it's not a good idea to fall asleep with it in your hair. It will get messy everywhere. I placed a return the moment I noticed something happening thinking it was a bad batch but soon I realized it was just a fake. I ordered straight from the Johnny B site and you can tell a big difference. Now I'm stuck with the product that smells and doesn't even work well. I should have known when I addressed my concerns and got a little backlash. Well, lesson learned, I HOPE YOU ALL LEARN TOO. Trust me just pay the extra \$2-3 and buy from the site.

This hair gel ruined my couch

If you dont like the color of your leather couch, you can use the product to strip it. It must contain some strong chemicals. It took me some time to realize what happening. Sigh.

I bought this as a gift for a 16 year ...

Reviewed in the United States on December 29, 2015

Size: 6.7 Ounce **Verified Purchase**

I bought this as a gift for a 16 year old suffering from inflated ego syndrome. This hair gel helped take his already out of control self image to a whole new level. After using this product, he now believes he is a god on earth and that no other teen boy can compare to him in sheer awesomeness. We may have to remove all of the mirrors and reflective surfaces from our home. Thanks Johnny B.

Heather LaRee **VINE VOICE****Smells Like My Husband's Deodorant...And That's Not A Good Thing To Me**

Reviewed in the United States on September 7, 2018

Size: 16 Ounce **Verified Purchase**

This product was recommended to me by my sister who is a barber/hairdresser. She's very pleased with this product and thought I would like for it's mild-but-effective hold and the little-dab-will-do-ya. She forgot, however, that I am extremely scent sensitive and prefer any product that is scent-free or extremely mild that dissipates quickly.

Oh Dear No... And I forgot that she works in a Barber Salon where scents fly around with abandon and she's used to processing all of these.

I was surprised that this product scent reminded me of my husband's deodorant... the kind of "Old Spice" version. (Tho, I find most men's deodorants to have this variation "this smell"). I went ahead and tried a little of it on my hair and while I DID like how it worked, I can't live with wearing that smell on my head all day. It stayed quite a long time.

Ben L. **VINE VOICE****Best hair gel out there**

Reviewed in the United States on May 19, 2019

Size: 64 Ounce **Verified Purchase**

I have been using Johnny B's styling gel for over 4 years now, and there's a good reason why I haven't switched to other hair gels (I do use Schwarzkopf's hair gel when traveling because this bottle is too huge to carry around, but don't like how Schwarzkopf's gel clings longer onto my hair in the shower). Johnny B's gel holds pretty well, and I have soft hair that flattens out without any hair product. It's also pretty versatile. You can apply it as it is, or you could rub it with wet hands before applying onto your hair to hold stubborn flyaways in place. It also washes out easily with just water in the shower. I don't think I'll ever switch hair gels until the day I die.

Good Bang For The Buck

Reviewed in the United States on May 16, 2019

Size: 32 Ounce **Verified Purchase**

This product has a medium hold that is easily washed out in the shower and gives you a good amount of product for the price. My biggest issue with this product is the smell, I initially liked the cologne scent but now that i've had it for a few weeks... it really reminds me of the attempt at a fresh type scent produced by roach spray. It took me a while to pinpoint what the scent reminded me of and then one day my wife totally nailed it with the roach spray scent. Some may not get this from the product but I think i'll just go back to my "Gentlemen" hair gel that i've been accustomed to.

Great gel wrong pump for the bigger size

Reviewed in the United States on January 4, 2020

Size: 32 Ounce **Verified Purchase**

I love this gel! Hold, scent great Was happy to buy the bigger size. The issue is the pump is too small and i cant get my hand to the gel once it get half way. Looks to me that they used the same pump from the smaller size on the bigger size.

Seems to be the real deal

Reviewed in the United States on July 29, 2019

I ordered from Top Shelf Brands and the product I received seems to be authentic. I did receive the older packaging which is the clear container instead of the new gray containers but that doesn't bother me much as long as it's not a fake. The gel is smooth/creamy and isn't clumpy or have any air bubbles in it like other reviews have mentioned. Also, the smell is pleasant and not over whelming. Great value for the price.
