We fully support this product with warranty repair or replacement service under a one-year manufacturer's warranty covering defects in the product's material or workmanship. If your product is found to have a defect you can request a RMA (Return Merchandise Authorization) request through our website online. This Limited Warranty applies to physical goods, and only for physical goods, purchased from registered retailers of Sound Around USA. This Limited Warranty covers any defects in material or workmanship under normal use during the Warranty Period. During the warranty period, Pyle USA will repair or replace, at no charge, products or parts of a product that proves defective because of improper material or workmanship under normal use and maintenance. This Limited Warranty is non transferable and can only be claimed by the original customer who must provide valid proof of purchase. The warranty period for physical goods purchased from Pyle USA is one year beginning from the date of purchase. A replacement physical good or part assumes the remaining warranty of the original physical good or one year from the date of the replacement or repair -- whichever is longer. Please note Pyle USA will not cover any shipping costs for service or repair. The customer will be asked to provide a specified amount, to cover shipping costs, once the issue is brought to the attention of the technical support team.
