AROMA FAN  
DIFFUSER

LOMI

Lomi offers practical ways to address your universal wellness needs with specialized technology made to give you the relief you deserve, whether you are at home or on the go. Our aroma fan diffuser uses essential oils to circulate a soothing diffusion of aromatherapy in seconds while warm white LED lights uplift the mood of any space. Let us help take on your day, so you can take on the world!

GARDEN BLISS

With invigorating peppermint oil and itchy skin relieving patchouli oil, this combo is ideal for colder months that call for extra hydration and protection in the air
