

Aqua/Water, C13-15 Alkane, Propanediol, Caprylic/Capric Triglyceride, Glyceryl Stearate Citrate, Linoleic Acid, Glycerin, Dimethicone, Alpha-Arbutin, Arginine PCA, Hydrolyzed Sodium Hyaluronate, Bisabolol, Cetearyl Alcohol, Acetyl Glycyl Beta-Alanine, Hexylresorcinol, Terminalia Ferdinandiana Fruit Extract, Artemisia Capillaris Flower Extract, Diglucoyl Gallic Acid, Pancreaticum Maritimum Extract, Ceramide NG, Linolenic Acid, Beta-Glucan, Algin, Tocopherol, Butylene Glycol, Ethylhexylglycerin, Xanthan Gum, Carbomer, Sodium Phytate, Sodium Hydroxide, Phenoxyethanol, Benzoic Acid, Sorbic Acid, Citric Acid.

Key Ingredients

Diglucoyl Gallic Acid: patented ingredient that helps improve the look of uneven skin tone.

Hexylresorcinol: a non-hydroquinone, multi-functional ingredient with skin brightening effects and powerful antioxidant protection.

Acetyl Glycyl Beta-Alanine: advanced skin clarity peptide that brightens the appearance of skin.

Alpha-Arbutin: diminishes the appearance of uneven skin tone and stubborn dark patches.

Kakadu Plum Extract: world's highest source of Vitamin C, which brightens and improves the overall luminosity of the skin.

Arginine PCA: amino acid complex that targets the look of age-related yellowing of the skin and dull complexion.
