

## Ingredients

- Vitamin C: Delivers potent antioxidant benefits, visibly brightens, and supports collagen production for radiant-, bouncy-looking skin.
- Non-Nano, Reef-Safe Zinc Oxide: Protects skin's outer barrier by reflecting damaging UV rays.
- Sugarcane-Derived Squalane: Mimics the body's natural hydrating oils, delivering weightless moisture and active ingredients into skin.

**Ingredient Callouts:** These products are vegan, cruelty-free, reef safe, and come in recyclable packaging.

Get Reese's healthy-looking glow with her Biossance faves: the Squalane + Vitamin C Rose Oil for luxuriously lightweight hydration with a visibly brightening and firming boost, the Squalane + Zinc Sheer Mineral Sunscreen SPF 30 PA+++ for broad-spectrum daily protection, and the Squalane+ Rose Vegan Lip Balm for lasting nourishment powered by hyaluronic acid, ceramides, and wakame algae.
