- Use on surface as a powerful cleansing and purifying agent
- Supports a healthy immune system, healthy digestion, and respiratory function when used internally*
- Offers powerful antioxidants when ingested*

Aromatic Description

Herbaceous, sharp, green, camphoraceous

Collection Method

Steam Distillation

Plant Part

Leaf

Main Constituents

Carvacrol, thymol

Description

Oregano oil is one of the most potent and powerful essential oils and has been used for centuries in traditional practices. The primary chemical components of Oregano is carvacrol, a phenol that possesses antioxidant properties when ingested. Due to its high phenol content, caution should be taken when inhaling or diffusing Oregano essential oil; only one to two drops is needed.

Additionally, Oregano oil should be diluted with a carrier oil when applied to the skin. One drop taken internally each day can help maintain healthy immune function; Oregano oil can be taken more frequently as needed to further support the immune system.* In addition to being a popular cooking spice, Oregano oil also supports healthy digestion and respiratory function when taken internally.* Oregano oil's aroma acts as an enhancer and equalizer in essential oil blends.

Behind the Bottle | Oregano

Uses

- Take one drop of Oregano oil in a veggie cap or 4 fl. oz of liquid daily to maintain healthy immune function.*
- Add one to two Oregano oil drops to a veggie capsule to support healthy respiratory function.*
- Put one drop of Oregano essential oil in place of dried oregano in spaghetti sauce, pizza sauce, or on a roast.
- Put 10 Oregano oil drops in a 16-ounce spray bottle with water for a surface cleaner.

Internal use: Dilute one drop in 4 fl. oz. of water.

Topical use: Dilute 1 drop essential oil to 10 drops carrier oil. See additional precautions below.

This oil is Kosher certified.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, face, and sensitive areas.
