INSULATED FOOD JAR

User's Manual

Thank you for purchasing the Bentgo Kids Stainless Steel Insulated Food Jar! This convenient and durable food jar features a spacious capacity perfect for packing healthy meals and snacks for children ages 3 and up, and colorful print designs that match our Bentgo Kids lunch bag, utensil set, and backpack.

Features

- Premium 18/8 stainless steel design with double-walled vacuum insulation
- Keeps food temperature warm or cool for hours*
- Leak-proof and sweat-proof design
- 11.2-oz capacity
- Removable silicone bumper to protect from accidental drops
- Food-grade safe and eco-friendly materials
- No BPA, PVC, phthalates, lead, or vinyl

Using Your Food Jar

1. To open, twist the top counterclockwise to remove it.
2. Fill the jar with hot or cold food. Jar keeps hot food warm and cold food cool for hours. Time will vary depending on the original temperature of the food.
3. Screw the lid closed completely to avoid spills.

Cleaning Instructions

- Wash in warm soapy water before initial use.
- Jar is top-rack dishwasher safe. Hand washing is recommended to preserve the leak-proof lid seal.
- Thoroughly dry after each wash.
- If the interior becomes stained, place a mixture of two teaspoons of baking soda and warm water in the jar for one hour, with the lid open, and then rinse thoroughly.
- This may be repeated overnight for stubborn stains.
- Do not use bleach or chlorine cleaners, steel brushes, or polishing agents for cleaning.

Warnings

- The mouth of the jar may feel warm when filled with hot foods.
- Do not put in the microwave.
- To ensure mess-free opening and closing, do not fill the jar above the lid base.
- *Time will vary depending on the original temperature.
