

9% LTN Complex™

Ultra-concentrated lotus sprout extract (addresses skin discoloration), tranexamic acid (brightening agent that reduces the appearance of dark spots), niacinamide (reduces the appearance of skin discoloration, fine lines, and yellow appearance).

Vitis Vinifera

Add moisture to dull, dehydrated skin; evens out skin tone; reduces the appearance of fine lines and wrinkles.

Plankton Extract

Preserves and promotes even skin tone.

Phenylethyl Resorcinol

Helps support melanin balance to correct the appearance of hyperpigmentation.

Phytic Acid

Enhances skin texture and promotes even-looking skin.
