Perfect results at the touch of a button

- Smart Chef programs for popular dishes

Smart Sensing Technology for delicious results

- Hundreds of recipes in app
- The original Airfryer with 7 times faster airflow*
- Fat Removal technology separates and captures excess fat

PHILIPS

Highlights

Keep Warm mode

With our handy Keep Warm mode, you can enjoy your meal when you're ready. It will keep your food warm and at an ideal temperature for up to 30 minutes.

Exclusive NutriU app

You can be inspired to become a master Airfryer chef. With the purchase of your new Philips Airfryer XXL you get exclusive access to our NutriU app. Browse hundreds of delicious recipes and try out tasty dishes.

Remove excess fat from food

Now you can eat healthier dishes and remove the excess fat from food. The Philips XXL Airfryer has Fat Removal Technology that separates and captures excess fat. Savor all the taste of a roasted whole chicken with crispy skin, tender meat and up to 50% less saturated fat***.

Rapid Air for 90% less fat

Enjoy healthier fried food that's crispy on the outside and tender on the inside with up to 90% less fat*. The Philips Airfryer XXL uses hot air (instead of oil) to fry food with little to no added

oil. Philips Rapid Air creates 7x faster airflow so that you can enjoy crispier results** and delicious taste.

Time and energy efficient

Philips Airfryers work more efficiently to save you time and energy by cooking delicious meals with up to 70% less energy and up to 50% faster than a traditional oven.***

Save your favorite meal

We all have our favorite dishes. Whether it's a warm breakfast or a favorite family dinner, with the Philips Airfryer XL it's easy to save your favorite meal at the perfect time and temperature for stress-free cooking.
