# Features

Imagine yourself playing on carefully simulated holes from some of the greatest golf holes in America. This collaboration of incredible replicas offers one fantastic challenge after another, creating a uniquely memorable experience. When we say Tour 18 Dallas takes Texas golf to new heights we are not just talking about the spectacular 25 mile views you'll enjoy while playing our challenging championship course. You'll find our Georgian mansion clubhouse the height of elegance and the ideal place to hold your special occasion as our friendly staff take "Southern Hospitality" to new heights. Come play, stay or celebrate and we'll take your day to new heights as well!

Our attention to detail and unquestionable standards for beauty and challenge will make you appreciate the great golf courses from which these simulations were chosen.

Tour 18 Dallas is open to the public. We offer a full service golf shop (1.817.430.2000) with a wide selection of brands and styles. Our practice facilities include a driving range, a large putting green, chipping and pitching green with practice bunker.
