with some funk!

Don't forget to add our
**BRAND NEW DESSERTS BY
GETFUNKD!**

Discover flavours how we know
them not how they have been sold
all these years.

Want it delivered??

**You can now get the same deals we
offer as pickup and collection but
delivered to your door.** All you have
to do when ordering is choose
delivery instead of pickup!

**All food is handed to drivers piping
hot, drivers are not employed by us
so we have no control over how
long they take to get to your door,
how much they charge and the
mileage radius. It is a third party
service we use.**

Be prepared to be taken on a
journey of flavours when having a
FUNKY INDIAN!

ALLERGENS:
