Champagne

At Harvey's, we are proud to work directly with Drappier, our chosen house Champagne. This eighth-generation family estate, founded in 1808, produces over half of its Champagne from its own vineyards in Urville. A true pioneer in sustainability, Drappier was the first Champagne house to achieve carbon neutrality — long before it became fashionable.

Founded in 1798, Champagne Jacquesson, reputedly Napoleon's Champagne of choice, is renowned for its numbered cuvées, each capturing the essence of a single harvest. Emphasising quality over quantity, its organic, meticulous production ensures exceptional consistency and craftsmanship. Celebrated as one of the world's most admired Champagnes, Jacquesson exemplifies elegance, heritage, and unrivaled refinement — a true standout, proudly selected the team at Harvey's.
