

Holey Moley Golf Club

A bar that takes traditional putt putt and turns it on its head. Holey Moley, you'd better believe it.

It's nice, it's nostalgic, it's '80s, it's '90s. Over a wild amount of 9-hole courses, expect the craziest round of mini-golf inspired by pop culture and a generous slathering of nostalgia. Watch out for sharks among shipwrecks, yabba dabba, do your thing, take a trip or two to the moon and the pars — from the moment you tee off to the final hole, you never know where you might end up.

We're as serious about our bars as we are about our pars. Whether you're searching for that signature Holey Moley mindblower to blast on your Instagram or just the comfort of a classic, our bartenders have the cocktails covered. Don't worry, teetotallers, we've got some non-alcoholic specials up our sleeves and some delicious snacks to keep you putting loose.

Chasing something sweet to do on a weekend, the best buck's night ever or a work do with a difference? From parties that kick putt to a date spot for par-crossed lovers, to just you, your pals, gals, friends and fam having fun that feels as good as it looks... Holey Moley is the place you never knew you needed for your next event.

Pull up those socks and get ready to tee off because mini golf just got big again.

Holey Moley. It's like golf, but fun!
